,Dear Nili

I will come to Israel May 26th/27th until June 2nd together with my girlfriend and the well-known photographer Tom Lemke from Berlin for .the 65th anniversary of the Chaim Sheeba Medical Center

June 23rd my new book about the *Codes of Tolerance* will be published by Herder Verlag (Freiburg) in German and end of the year in Arabic and in Polish (Archbishop Alfons Nossol). It is promoting more tolerance and respect towards other religions, ethnic minorities and races including .Islam. More inwww.codesoftolerance.com and above (in German)

Now I a working on an international *photo-project Champions of Tolerance*- see our presentation above. We want to take photos from Professor Zeev Rotstein and Shimon Peres, who hosts a reception. We would very much like to take photos with Ehud and add him as another *Champion of Tolerance*- maybe playing piano with a good quote from him about tolerance. You will get a nice artist proof of the best .photo

.Maybe you as well have other ideas for more Champions to add

As well I like to meet both of you again after years and discuss my new .project "International Investors Club" too

!Best wishes from Berlin and enjoy Easter

Hubertus
